		Publishing Date : 16.11.2020
		Revision No : 00
		Revision Date : -
		Page No : 1 / 1

As YAPIARTI LTD, we aim to act in line with the legal requirements, to gain the trust of our stakeholders and contribute to the sustainable development with the Integrated Management System that we have created with vision, mission, and principal values of our company.

In accordance with this purpose:

- To create employment opportunities that contribute to the country's economy
- To set an example for the community with organisation activities by encouraging social responsibility awareness
- To develop systems to ensure occupational health and safety and accident prevention
- Structuring in a way that intervene the emergencies
- Being respectful to people and the environment by focusing on protecting the natural habitat
- To ensure the information security and take the necessary measurement on this regard
- To ensure continuity to meet customer satisfaction and to handle complaint procedures by being customer-oriented
- To be transparent to stakeholders in our practice
- To provide services focused on customer and employee satisfaction with innovative service and technologies
- To create our processes in accordance with international management systems standards and to support operations with innovative service and technologies
- To design realistic and measurable processes within the efficiency and continuous development frameworks
- To regularly measure and analyse the implementations with right methods
- Identify, evaluate, monitor, and take actions when necessary, according to the impact and probability, of risk factors and opportunities that may affect reaching to organisational goals, within the scope of corporate risk management approach, and

As YAPIARTI LTD, by increasing the awareness of our employees, we implement the requirements of TS EN ISO 9001, TS EN ISO 14001, TS EN ISO 45001 standards with the participation of all our employees and implement continuous improvement as our integrated management system policy.
